PAST PERFORMANCE

Social Security Administration (SSA)

ZIO supports the ITC team under the Information Technology Support Services (ITSSC) task order in providing a wide range of resources to support SSA's transformation initiatives and IT systems modernization efforts.

IT Concepts Inc.

ZIO supports multiple enterprise-wide projects that impact operations, providing high quality services to efficiently and effectively meet the needs of the 1 in 5 U.S. citizens receiving Social Security benefits.

IBM (Delta Airlines)

ZIO supports IBM to help lead Delta to the public cloud, in order to increase its agility, speed to market and innovation capabilities around digital transformation. ZIO's team of AWS architects provide technology and industry expertise to modernize and migrate Delta's applications to the public cloud.

SK Net, LLC.

ZIO provides senior level technical resources to SK Net to support a multi-year HR transformation initiative with the State of Maryland. Our team of consultants have worked across the full life-cycle of the Workday HCM implementation project.
